

Susan Amesbury Stone
MS, Lic.Ac., EEM-AP

Susan Stone says:

For over a decade, I've used Lumalight in my EEM practice on a daily basis.

This amazing way of working with the energy field supports and enhances techniques of the nervous system and Triple Warmer Meridian.

I will share my secrets and discoveries, such as:

- How EEM protocols are boosted and results are achieved more rapidly and successfully with this light set.
- Learn special testing methods to assure accurate corrections.
- Receive Lumalight training materials simplified into an EEM format to support your practice.
